

How to Put Your Book on Kindle

The Easiest Method — Send to Kindle

If you purchased a book from this website and downloaded the EPUB file, you can send it directly to your Kindle library using Amazon's Send to Kindle feature.

You do not need to find your Kindle email address, and you do not need to convert the EPUB file yourself.

The process is simple:

Download your EPUB → Send it to Kindle → Open your Kindle Library → Read

Step 1 — Download Your Book

After purchasing your book:

1. Click Download Your Book.
2. Save the EPUB file to your computer, phone, or tablet.

The file will normally have a name similar to:

BookTitle.epub

If You Are Using a Computer

Step 2 — Go to Send to Kindle

Open Amazon's Send to Kindle website.

Send to Kindle

Sign in using the same Amazon account you use for your Kindle.

Step 3 — Upload Your EPUB

On the Send to Kindle page:

1. Select the option to upload your file, or drag and drop the file into the upload area.
2. Locate the EPUB file you downloaded.
3. Select the EPUB file.
4. Upload it.

Amazon supports EPUB files through Send to Kindle, so there is no need to convert the file first.

Step 4 — Send the Book to Your Kindle Library

Follow the instructions shown on the screen to send the document.

Amazon will process the EPUB and deliver it to your Kindle library.

You do not need to convert the EPUB yourself.

Step 5 — Open Kindle

Once Amazon has finished processing your book, open the Kindle app on your:

- Windows computer
- Mac
- iPhone
- iPad
- Android phone
- Android tablet

Make sure you are signed into the same Amazon account you used with Send to Kindle.

Go to your Library.

Your book should appear there.

Tap or click the book cover to download and read it.

If You Are Using an iPhone or iPad

The entire process can also be completed from your mobile device.

Step 1 — Download the EPUB

Download the book from this website.

Save the EPUB file to your device.

Step 2 — Open Send to Kindle

Open your web browser and go to Amazon's Send to Kindle website.

Send to Kindle

Sign in to your Amazon account.

Step 3 — Upload the Book

Choose the EPUB file you downloaded.

Amazon will upload and process the book.

Step 4 — Open the Kindle App

Open the Kindle app.

Go to Library.

After Amazon finishes processing the book, it should appear in your library.

Tap the book to begin reading.

If You Are Using an Android Phone or Tablet

The process is essentially the same:

Download EPUB → Open Send to Kindle → Upload EPUB → Open Kindle → Library → Read

Go to Amazon's Send to Kindle website.

Sign in to your Amazon account and upload the EPUB file you downloaded.

Once Amazon finishes processing the file, open the Kindle app and look for your book in your Library.

If You Have a Physical Kindle

You can also send the EPUB to your Kindle library and read it on a physical Kindle device.

After uploading the book through Send to Kindle:

1. Turn on your Kindle.
2. Make sure your Kindle is connected to Wi-Fi.
3. Open your Library.
4. Find your book.
5. Tap the book cover.

Your book will download to your Kindle and be ready to read.

You Do Not Need to Convert the EPUB

This is important:

Do not convert the EPUB to MOBI.

Amazon supports EPUB files through Send to Kindle, so you can upload the EPUB directly.

Your process is simply:

Purchase your book

Read on your Kindle, phone, tablet, or computer

There is no need to manually convert the file.

Troubleshooting

“I don't see my book.”

First, make sure you are signed into the same Amazon account in Send to Kindle and in the Kindle app or Kindle device.

If you have just uploaded the book, give Amazon a little time to process it.

Then refresh your Kindle Library.

“I downloaded the book, but Kindle won't open it.”

Don't try to open the EPUB directly in the Kindle app.

Instead:

1. Go to Send to Kindle.
2. Upload the EPUB file.
3. Allow Amazon to process the file.
4. Open the Kindle app or Kindle device.
5. Go to your Library.

Your book should appear there once processing is complete.

“I don't have the Kindle app.”

The Kindle app is available for phones, tablets, Windows computers, and Mac computers.

Install the Kindle app on your device and sign in using your Amazon account.
